**A MESSAGE FROM SAM HARTSELL,  
GENERAL MANAGER**

Thanks for visiting the website of Treasure Lake RV Resort Camping Club. Your management and staff are dedicated to providing good and efficient service.

As we begin 2008, I couldn't ask for a better team of employees as are here at the Resort. Each and every one is working great together and many, as owner/ members, personally understand your needs and desires. With the continued goal of team spirit, along with their hard work, I, as their new manager, look forward to making this a more pleasant and desirable place to meet and stay. There are a lot of good people, I have already met here at the Resort; and I look forward to meeting with them again and with all our owners in the very near future.

Sincerely,

Sam Hartsell, General Manager

### *Activities By Erica -*

Bring the kids out to meet the Easter Bunny and to go Easter egg hunting on March 22!

Don't forget that if you want to participate in "40 & Over Week," April 7-11. You will need to call 417-332-2564, to be put on the mailing list.

"Spring Fling Weekend" is April 18-19. Come out and enjoy some great food and fun event.

The indoor pool re-opens on March 14<sup>th</sup>. The outdoor pool is planned to open on May 23<sup>rd</sup>.

Everyone should come out and enjoy some great things I have planned in 2008. You need to see the newly remodeled downstairs at the Clubhouse. We put in a movie theater that will be great for the entire family. We have a brand new arcade vendor who will be bringing us some great new games.

Due to the damaged sports equipment last year, everyone will be required to show a Treasure Lake ID, to check out equipment. Equipment will be available for check out at the Activities office, located downstairs in the Clubhouse.

Thanks,  
Eric Engle, Activities Director

## The President's Corner

Hello, fellow Owner/Members of Treasure Lake!

We were able to approve the budget after many hours of hard work. The budget will be an attachment to the Board Minutes on the Treasure Lake website. When you look it over, you will see that we are operating on a very tight budget. The mailing for Annual Dues was mailed out on Monday, March 3<sup>rd</sup>. We have had several members say that they were going to add an addition \$20.00 to their dues to help out during this difficult time. Your Park needs your help. Let's hope that we do not have another disaster like the collapse of the sewer system last year. However, all of our water lines are the same age as the sewer and we have to be aware of that. We have also had a lot of leakage problems with the outdoor pool.

Due to extensive damage to the tennis court, we will not be able to have it open for use this year, until funds come available to repair it. If anyone out there has any contacts that might help with the repair or any ideas to raise funds, please let the Board know. The tennis court is a very popular place and is used by a lot of people.

I don't want this to sound negative, because Treasure Lake is a great place to come and enjoy. We just need to be aware of things that need attention, and do what we can to fix them.

In the packet for Annual Dues, there is a place to let us know if you have Internet access. This is very important when we are deciding how much money to allocate for postage and printing for the newsletter, so please fill that out and let us know.

There are a lot of great activities planned for this year and I hope all of you will get to come and enjoy them at least a little bit.

Leland Curtright

P.S. I'm counting on you!
