**A MESSAGE FROM SAM HARTSELL,
GENERAL MANAGER**

Friends and Owners,

Once again, it's that busy time of the year for our Park. We are pleased to see all the Owners, who are coming to enjoy the recreation and fun that Treasure Lake offers. It's also great to see all the friendships being renewed.

As I mentioned in April's Newsletter, we are seeing a lot of positive changes on the Park and much of the credit for these changes goes to you, our Owners. And, while I am thanking you, I want to again express my thanks,

and those of the Board of Directors, to all those, who have stepped up to the challenge of paying their dues early and donating extra monies, too. It's obvious that your Park and its future is important to you.

I would like to encourage as many Owners, as possible, to come to the Park this year. As always, the Maintenance/Grounds/Landscaping Department is working hard to show off how very beautiful our grounds are. And, of course, the Housekeeping Department is meeting its own high standards for keeping your property clean and ready for your next visit.

Come and enjoy!

Sincerely,

Sam

Sam Hartsell, General Manager

Upcoming Newsletters 

One of the questions that is frequently asked here is, "I would like to get to know everyone a little bit better. Where can I find some information." To help in that effort, starting with our next issue, we will be featuring a person, who will be 'in the spotlight.' To begin this series, next month, we will spotlight one of your hardworking Board members. Future issues will feature members of the Management Team and various employees and work campers that make your stay at Treasure Lake the pleasure that it is.

MEMORIAL DAY

*It's time to pause and remember all the men and women,
who through our country's history, have given their lives
and their fortunes, to make our country what it is today.*

*Let's always try to keep these patriots,
those still with us and those who have gone on ahead,
in our hearts and in our minds.*

You will never be forgotten!
