**A MESSAGE FROM SAM HARTSELL,
RESORT MANAGER**

Thanks for visiting and staying here at Treasure Lake RV Resort and sharing your thoughts and suggestions. Your management and staff are working hard to put our best foot forward in making this the resort and environment you most desire.

We are dedicated to providing good and efficient service. I couldn't ask for a better team of employees as are here at the Resort. Each and every one is working great together; and since many are owners/members, they understand your needs and desires. With the continued goal of team spirit and their hard work, as Resort Manager, I look forward to making this a more pleasant and desirable place to meet and stay.

During your contacts with employees, please remember they are only messengers, who present the rules and guidelines we must go by. They do not make the rules, but must make every effort to make others aware of them to be in compliance.

Your assistance is greatly appreciated in avoiding littering, watching your speed, picking up after your pets and staying in compliance with the other rules we must enforce. I thank you so much.

There are a lot of good people, I have met here at the Resort, and I look forward to meeting with them again and meeting with others in the near future.

Sincerely,

Sam

Sam Hartsell, Resort Manager

Hey, Treasure Lake Owners!!

I hope everyone is staying cool and having a great summer!! We are starting to wind down for the summer, but we still have one more big holiday weekend coming – Labor Day. Starting Saturday, August 30, the Activities Department has a lot of activities planned for the whole family. So come out and have a great time. Plus, that will be the last weekend the outdoor pool will be open for the summer!

Thanks,

In the Spotlight -

*Your New Vice-President & Secretary
of the Board of Directors
Betty Nichols*

Betty was elected Vice-President, when former Vice-President, Rodney Sanford assumed the duties of President. Betty is also the Secretary of the Board. Our congratulations to her and our thanks for taking on even more responsibility for the Resort.

Betty was born and raised in Poteau, Oklahoma, married Ollen Odean (Double 'O') and have four children – Ricky, Ronny, and Randy Nichols, and Rhonda Nichols Hargis, who have been owners at Treasure Lake for over ten years. Betty and Double O live on a ranch in Poteau, where they always welcome their fourteen grandchildren and two great-grandchildren.

Betty graduated from Poteau High School, before she and Double O moved to Wichita, Kansas, back to Poteau, then to Ft. Smith, Arkansas, Springdale, Arkansas and then again back to Poteau, where they have lived for the last thirty-six years.

When asked about her career, Betty always replies, "First and foremost, housewife, mother and grandmother." In addition to this, Betty graduated from the University of Arkansas and did graduate work at U of A, OSU, and NSU. She put her education to good use as a teacher for twenty-two years. Twenty of those years, Betty was a science teacher at the middle school in Poteau.

Betty and Double O are members of the First Baptist Church in Poteau and have been proud owners at Treasure Lake since 1989.

A Report on your new library -

At the monthly Board Meeting, Friday, July 25th, Betty Nichols announced the re-opening of our Resort library. It is now located next to the Ticket Office in the Lodge and it is open 10-2, Tuesday through Saturday. In addition to some interesting books and magazines, there is a large number of VHS tapes, which are available for rent for only \$1.00. These funds will go towards the further development of your library. If you have some books that you would like to donate or if you wish to return any books, there is a drop box you may use, if you visit outside library hours. Also, if you have some books you would like to swap, come and talk to the new librarian, Beverly Koppenhaver, who has graciously volunteered her time and energy. Thanks, Beverly!

We would also like to take this opportunity to thank all the persons, who in the past years, have taken their time to help with providing a library service to the Owners. If you have any suggestions for the development of the library, please contact Beverly.

Come and enjoy beautiful Treasure Lake Resort -

The lazy hazy crazy days of summer

Enjoy your summer, just like it used to be!
