A Message from Lenny Ammerman **Resort Manager**

“I can’t wait for all of you to come to the Park this season. The plants and trees are blooming and the weather is great! I feel certain you will be pleased with all the improvements and additions to your Park. It’s obvious that everyone has been working diligently all winter.

“What a fabulous time to visit Branson! The various theaters and attractions are now open and there are many new shows for you to enjoy, while you are in town. This is the 50th Anniversary for both Silver Dollar City and Shepherd of the Hills. A new type of attraction for those, who are adventurers, is the Zipline. There will be four of these opening around the area, including one at Shepherd of the Hills. It will have the highest starting point of any in the U.S. For those of you, who prefer his or her adventures a little closer to the ground, come and enjoy the new shows, new restaurants, shops, golf, fishing and all the activities that Branson has to offer.

“No matter what your tastes, come soon and come often during the 2010 Season and enjoy your amazing Resort.”

Your Resort Manager, *Lenny Ammerman* lenny@tlresort.com

Woodcarving News

Have you ever thought how much fun it would be to learn woodcarving? Here is your chance! A friendly and talented group of carvers meet every Thursday at 9:00 A.M. at the Lodge . . . and they are ready, willing and able to teach you. Don't be concerned if you have never tried this before. These new friends are ready to help you.

After you have tried this and learned to love it, be sure to be here September 4th and 5th and see a woodcarvers' show. The admission is free and the tables are free, if you wish to display your carvings. This show will be held at the Pavilion and is open to everyone. For more information, please call Gerry Anglen at 417-231-1504.

Pets

We all love our pets, but please keep in mind you **cannot** leave your animals outside, when you are not outside with them. One other very important reminder is to be sure to clean up after your pets. Not only is this an aesthetic issue, but a health issue. We want all Owners and their pets to enjoy our beautiful Park.

Storage

“Spring is here! This is a great time to clean up your RV's. I'd like to remind all of you to make sure that your rigs are in towing condition: tires inflated, jacks in working order, tarps off, etc. One other very important point on your checklist should be to have your member number displayed on the front of the unit, so it can be easily read.

“Now that it's spring, we're really looking forward to seeing you very soon!” *Melodie Martin*, Storage Coordinator. Phone: 417-334-1040 x 228 – storage@tlresort.com.

Activities with Becky

“Easter was a fabulous celebration with beautiful weather and lots of activities for the 125 people in attendance. Branson celebrity, Wally Barbee, entertained outside at the

Pavilion, while the very handsome Easter Bunny hid eggs. Hot dog lunches were served as the children danced, played games and then hunted for over 500 eggs. Speaking of the Easter Bunny, check the website for shots of the lucky ones, who had their pictures taken with him. The day was topped off with an adult Easter egg hunt. All in all, everyone celebrated the first big event of the spring.

“Here is a partial schedule of upcoming events in the immediate future. There will be entertainment Friday, Saturday and Sunday for the entire year, including special guests and celebrity entertainers galore. Every other Monday night will be Casino Night with mixers, featuring Branson star performers. Memorial Day promises to be another highlight! We will have a Dinosaur Hunt for the kids and then games all weekend. Adults will be treated to all sorts of activities: magic, recreation, dances and a performance by comedian Bob Nelson.

“Check your Activities’ schedule often, for we now offer fun and entertainment year around. We can’t wait to see you!”

Becky Phillips, Activities Director. Phone: 417-332-2554 or activities@tlresort.com.

“The warm weather is finally here and your Park looks terrific! There are lots of fun activities, indoor and out, for every age group. Sales tours are keeping us busy, as we introduce lots of new members to Treasure Lake. Make *your* plans and join us soon and often.

“If you have any questions about sales or a transfer, my phone number is 417-334-1040 x2 or my e-mail is sales@tlresort.com. Your call is very important to me.”

Teresa Hughes, Sales Director Hooray . . . Spring, finally!!
