A Park Update from Lenny Ammerman **Resort Manager**

"It's hard to believe that it's almost time for another exciting and jam-packed holiday here at Treasure Lake. If you missed the excitement of the July Fourth Celebration, don't make the mistake of missing the Labor Day weekend, which is already sizing up to be filled with activities and fun. Be sure to read the schedule from our Activities Director, so you won't miss a minute.

Let me remind you that we still have many Owners, who have not paid their 2010 dues. If you have not sent your payment, remember that after August 1st, there is a \$20.00 late charge. Please include that fee on your check.

Our 2010 Election is on the horizon. Please remember that all dues must be paid *before August 31st*, to be eligible to vote in this election. There are three Board Members, whose terms of office are ending. Obviously, this makes this election extremely important. There are several persons running for those seats, but there is still time to 'throw your hat into the ring' if you want to serve your Park. Contact Carol, Donna or me at the Welcome Center for the necessary forms and information needed. All petitions have to be in my hands no later than August 26th. If you have already decided to run and are working on your petition, please keep that date in mind.

After you have marked your calendar to turn in your petition, be sure you then mark it to be on your Park for the Labor Day weekend: September 2nd, 3rd, 4th, 5th and 6th. I'm looking forward to seeing you then!

Your Resort Manager, *Lenny Ammerman* [HUlenny@tlresort.comU](mailto:LUlenny@tlresort.com)

A Message from your Board of Directors

“Many of you participated in the festivities of the July 4th weekend at Treasure Lake. Feedback and comments from many of you indicated this might have been the most successful 4th of July celebration we have had in many years. Activities and entertainment were many, exciting and well planned by Lenny Ammerman, Becky Phillips and the entire staff of Treasure Lake. Multitudes of volunteers pitched in to make the event an extraordinarily fun time. We extend our thanks and appreciation to everyone, who took part by being here; and, to the many Members and Associates, who volunteered and contributed to the success.

“We are especially grateful for all the men and women, past and present, who have served or who are serving in our United States Armed Forces. These persons have enabled the freedom that gives us the benefit of Independence Day. We also recognize all those statesmen and stateswomen, who had the vision and resolve to sacrifice all they did to bring this great nation into being. May God richly bless each one, who contributed to the success of America, the ‘Land of the Free and the Home of the Brave’.

“Although it truly was a great weekend celebration, we regret there were not enough available RV sites for all, who brought their RV’s to the Park. Thank you, those of you, who had to park in some makeshift sites and some, which were without utilities. Your disappointment is understandable; and, there are ongoing efforts to improve more sites to help alleviate the problem for future years, during extremely high occupancy times. Again, we express our thanks to Lenny and his entire staff, who made every effort to accommodate everyone. All of the rentals were filled and some requests for rentals could not be granted either.

“Some have asked about the policy, regarding the times when there are no sites available and the Owners have to seek parking elsewhere. Their question is, “Does the Club pay for the rental of an RV site off Park?” The current policy is to make every effort to park Members on the Park, but if it is necessary for someone to go elsewhere, the Club does not pay for those, who have to go elsewhere. The same is true about rental units. There is no payment to those Members, who have to seek accommodations off Park.

“Thank you for your understanding and patience. Having the Park full is great and we hope you will continue to use your Park every opportunity you have to do so. We appreciate your comments and feedback; and, we consider each one as we put forth the effort to provide for all Members, while maintaining a cost-effective operation.”

First Annual Volunteer Auction

The First Annual Volunteer Auction was held August 7th. The Volunteer Committee did a terrific job and everyone deserves credit for a job well done! The event produced a sizeable profit, which, after expenses, goes to one of the many projects scheduled for the improvement and enjoyment of the Owners and guests.

If you are interested in learning more about how *you* can become a volunteer, contact Lenny Ammerman or Hazel Thomas for more information.

Everyone wants to say, “Thank you,” for all your hard work!

Wood Carvers Event!

One of the highlights for the Labor Day weekend will be Treasure Lake’s own Wood Carvers Show. These talented persons start their show at 9:00 A.M. on Saturday at the Pavilion. The show continues through the afternoon on Sunday. You will be able to purchase your lunch on both days. You will also have the opportunity to purchase some of the most amazing pieces. What a great way to obtain a handmade item for someone’s birthday or Christmas . . . or better yet, for your own enjoyment! For more information, call the Welcome Center at 417-334-1040.
