I am from Texarkana, TX and have been a member since 2003. As a member of the board, I will be committed to represent ALL OWNERS EQUALLY AND FAIRLY. I will be open to you and your concerns. My support and vote will be based on membership majority. I am an independent thinker and will base my decisions after carefully reviewing all reliable information available.

- >>> Strongly oppose Resolution 206.
- >>> Support an "open forum" at the Board Meetings and continue with a question and answer period after board meetings.
- >>> Change board meetings to every other month.
- >>> Eliminate per diem allowance (food allowance of \$46.00 per day per board member).
- >>> Set a limit of \$40.00 for off park lodging when lodging is not available at TL.
- >>> Board of Directors should take care of board business only.
- >>> RV site updates and storage are always a concern and need ongoing attention.

I feel these are items that must be strongly addressed. With your support and vote they will be addressed. Send a message to present and future board members that the owners have the final word (NOT the board).

I will be glad to meet with you to explain or expand on my goals.
