I am asking for your vote and support to allow me to serve you, the Owners on the Board of Directors (**BOD**) of Treasure Lake. Hopefully you will recognize me from working the Front Desk. If I have assisted you or spoken with you on the telephone on another matter I trust you will remember that you were treated with respect and courtesy.

Born in Springfield in 1949 I graduated from Central High School in 1966. I served in the USAF and was Honorably Discharged in 1971. I later earned a Bachelor of Science Degree in Business Administration.

After 3 years with Overhead Door Company and another 3 years at Paul Mueller Company both in Springfield, MO. I accepted a position with the Department of Mental Health in Poplar Bluff, MO. in 1977 until I changed to Department of Social Services located in Jefferson City, MO. in 1984. I **retired** from the State of MO. in 2003.

I substitute teach and hold a Real Estate Sales Person's License. This year I worked on the project to grade End of Course Assessments (Achievement tests) for all the High Schools in Missouri through the University of Missouri.
