## *A Message from Lenny Ammerman* **Resort Manager**

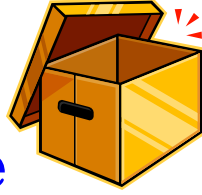

“It’s hard to believe that May is here. Owners and guests are getting the season started on the Park, enjoying its beauty and all the activities Treasure Lake has to offer. It goes without saying that Branson itself makes visiting here a completely different adventure from camping or Rving at any other park. What a combination: Branson and Treasure Lake!

“Treasure Lake was busy all winter and spring with activities and opportunities to enjoy the gorgeous scenery and the curious wildlife. We had a New Year’s Eve Party, a Super Bowl Party, a Valentine’s Weekend, a St. Patrick’s Day Party, an Easter Week event, plus weekly entertainment, dances, games, weekly breakfasts and special dinners.

“Obviously, any time is the perfect time to come and enjoy Treasure Lake. I hope to see you come and share all the great fun.”

## Storage

“I am elated to report that the Board of Directors has approved the funds needed to work on the roads in the main storage lot. These have been in need of repair for quite some time. Over time, the roadway has pushed out and created ruts, which in turn, hold water and restrict proper drainage.

“In order to grade the roads so that all areas will drain properly, we are going to move some of the RV’s to a temporary holding area. I will be in contact with those Owners involved, either by mail or phone in the next few days. Our goal is to begin work by mid-May.”

## Activities with Becky

“We are having wonderful crowds on the Parks and the participation in all the scheduled Activities is great! The Tuesday and Wednesday ‘Jams’ have begun, bingo is going strong and there are lots of day-to-day, special events for all ages.

“Our theater is showing lots of new movies; and, popcorn and soda are offered at some of the showings. The entertainment on Fridays and Saturdays has been awesome! Sundays, we have special worship music and a vast array of talented Gospel groups will be performing in the afternoons. **A**nd, now for the big news –

## Memorial Day Weekend!

“The Memorial Day Weekend will find the outdoor pool opening for the season with an exciting pool party. The same weekend, our Snack Shack opens for business, offering many new menu items. On tap is almost non-stop entertainment for children: Activities

and a special dinosaur bone dig and educational fun about dinosaurs. For your enjoyment, we will have food catered and outdoor music and fun at the Pavilion . . . a watermelon eating contest, turtle races and games, just to mention a few of the special activities.

“Don’t miss this special season kick-off. The catered picnic will consist of two meats, two vegetables, salad, bread, dessert and drinks for only \$6.50 for adults and \$5.50 for children. Children three and under will be free, if eating off their parent’s plate. Get ready to have a ball!”

## Owners’ Corner . . .

This note was written by Jim & Arlette Lepper (#3101- A) with a request to publish it for all the Owners to read. It was addressed to the Board Members, the General Manager and the Maintenance Department:

“We would like to thank you many times over for the wonderful job that was done on the trail between Phase I and the Clubhouse. It also makes our mini-golf course look so attractive.

“Job well done! Thanks again. It is much appreciated by one and all.”

## *Veteran's Homecoming*

It is our intention to recognize and honor those who are serving in and who have served in our Armed Forces. During our July 4<sup>th</sup> Celebration, the veterans, on the Park, will have special recognition.

Many of our veterans, and their families, have already submitted his or her names and service information. We encourage all those who have not submitted this information to do so. *Please note: We would like to include specific Theatres of War or areas of service, but due to space constraints, we are unable to do that.*
